

DRAFT

Minutes of the Parks committee meeting Sunday, June 22, 2008

1. Meeting called to order by Chairman Katie Ward.
2. Members present Katie Ward, Tony Flora, Angela McFall, Kevin Khiele, Mike Schaeffer, and Tom Straub.
3. Tony Flora agreed to be Vice Chair and we are in need of a Sec/Treas
4. Katie went over some of the things that the committee had gone over in the last year or so.
5. Tom Straub presented the request from the Fall Festival as to seal coating the bike path. Cost would be about \$10,000.00 suggested funds come from the impact fund.
6. Other ideas were discussed:
 - A. Barbara Lane restored to create a canoe landing, easy access for fire personnel. Need to find out what the exact boundaries are.
 - B. Sidewalk from Community Center to Fire Department. Have one estimate already will work on getting more.
 - C. Playground equipment for Lyndale. Fontana parks are replacing some of their equipment. Katie has been in touch with them as to what they are doing with the old equipment. It will be put on eBay when they are ready. We will continue watching this as well as working on other ideas for Lyndale Park.
 - D. Bathroom/water facilities for the McFall Park. It was noted that we are getting calls asking about the park and possible rentals but not having bathrooms and/or water make this a very hard thing to do. Angela will work on getting some ideas and prices as to what can be done. Maybe something permanent or a long term rental agreement.
 - E. Flashing warning signs on the corner of Colley and Town Line Road. WE felt this was something that needed to go to Safety Committee. We need to have more clarification as to the use of the impact monies.
 - F. Informational signs set up around the town. Suggestions were at the clock and the corner of Hart and Cty X. A drawing was passed around and all agreed this was something nice and should be looked into more. Along with these signs should be an enclosed glass case with meeting notices and flyers put up for better access by the public.
 - G. Tony suggested some sort of sign for Lyndale Park so as to mark it as a Town Park.
 - H. After we adjourned we walked around the MacMahon Park to see what things needed to be replaced/repared. Kevin will come to the next meeting with suggestions and ideas.
 - I. Next meeting will be Sunday, July 20, 2008 at the McFall Memorial Park at 3:00

Respectfully submitted
Katie A. Ward
