A. There was no report from the Police Department

B. Citizens Questions/Comments

There were none.

C. Fire Department Blinking Lights (Status)

Our Fire Department will be ordering one set of blinking lights, they have received approval from our board to purchase the unit, and is to be installed on County J.

### **New Business**

A. Parking on Schuster Drive and Vail Terrace: there was a concern regarding how parking is permitted on both sides of the road and in turn this makes it very difficult for people to get out of their own drives. Also a concern of this causing a dangerous environment. Roger offered to talk with a few people who live in the area and see if they have any problems and or suggestions.

Our next meeting will be February 4, 2009 at 7:00pm

The meeting adjourned at 7:30 motion by Gino Casucci and seconded by Mike McCabe

Respectfully submitted,

Kathy Lenz-Secretary
