Lin contacted the school notifying them of the \$200.00 scholarship we are giving Adam Popanz this year. He will be paid at the end of his first semester. Most of the food booths are coming back, it was requested we also get food up to the pull track on both Sat. and Sun. The beer is set and the trailer lease has been signed. Melissa will contact the Clinton Chamber of Commerce to see if they are interested in having a duck race. We were given a letter from Atty. O'Leary giving his opinion on the legality of these races. According to him we will be able to have the races with our raffle permit.

Frank Wywalowski was thanked for his effort in putting up the shadow box.
